

FOSTERING WIND ENERGY SCIENCE AND EDUCATION

Connect
expertise in
wind energy
science and
education

Promote education,
awareness, career
development and
interest in wind
energy

Be a credible,
legitimate and
independent
scientific voice of
European wind
energy research

Provide a forum
for wind energy
knowledge
exchange

WHO WE ARE

- We are an international alliance of 45 universities in Europe and the US
- We are a community of worldwide experts in wind energy
- We provide a credible voice of tomorrow's wind energy research
- We offer educational programs for PhD students

OUR EVENTS

TORQUE	PHD SEMINAR	WESC	TORQUE
2022, 1-3 June	2022, 2-4 Nov	2023, 21-24 May	2024, 29-31 May
Delft, Netherlands	Bruges, Belgium	Glasgow, UK	Florence, Italy

OUR CONFERENCES

TORQUE, WESC and the EAWE PhD Seminar present annual advances at the forefront of wind energy research
